*The School Committee recommends \$2,376,263*

*Explanation: The school administrative unit's contribution to the total cost of funding public education from pre-kindergarten to grade 12 as described in the Essential Programs and Services Funding Act is the amount of money determined by state law to be the minimum amount that a municipality must raise in order to receive the full amount of state dollars.*

**Article 48:** To see what sum of money the Town will raise and appropriate (**Recommend \$1,559,478**) in additional local funds. The state's funding model does not fully support all of the costs to operate schools because it includes only those costs that are considered "essential" by the Essential Programs and Services (EPS) model. For example, EPS does not adequately support current co- and extra-curricular activities or food service. Our pupil/teacher ratio is lower than EPS's recommendations due to small class sizes. In addition, EPS allocation from state per secondary student is \$9,117. Cost for Brewer High School is approximately \$12,863.64 and John Bapst High School is \$15,958.53. Secondary school tuition paying system (Have to budget additional students) Limited EPS reimbursement for co-curricular expenses (10%).

*The School Committee recommends \$1,559,478*

*Explanation: The additional local funds are those locally raised funds over and above the school administrative unit's local contribution to the total cost of funding public education from pre-kindergarten to grade 12 as described in the Essential Programs and Services Funding Act that will help achieve the municipal budget for educational programs.*

**THIS ARTICLE MUST BE VOTED ON BY WRITTEN BALLOT**

Statutes, Title 20-A, section 15690, unexpended balances, tuition receipts, state subsidy and other receipts for the support of schools.

*The School Committee recommends **\$5,059,003***

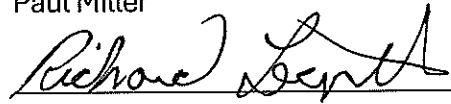

*Explanation: This is a summary article to approve expenditures. The amount recommended is the gross budget of the Dedham School Department. This article does not provide money unless the previous articles are approved.*
